

# Modern Slavery awareness raiser for general workers

A 1 hour awareness raiser or refresher course for general workers in factories, distribution, farming and retail etc.

This 1 hour session for workers and general staff is a strong awareness raiser and refresher about Modern Slavery and Labour Exploitation.

Safe Space can deliver this course and/or coach your training team to deliver it for your business.

The aim of this session is to

- Focus your business on continuously updating and improving staff knowledge of what Modern Slavery is,
- Increase awareness of where Modern Slavery occurs,
- Consider how Modern Slavery affects lives,
- Understand exploiter practices,
- See and understand the alert flags,
- Ensure understanding of your company policy and practice on Modern Slavery by your employees,
- Ensure workers understand what to do if they are or suspect a co-worker of being a potential victim of exploitation,
- Be aware of support mechanisms for potential victims of Modern Slavery such as The Modern Slavery Helpline, GLAA etc.

*This course can be run concurrently over a day to cover as much of the workforce as possible assuming suitable local training facilities are in place.*
